Body treatments

Rasul ‘steam bath ritual’ — 35 min — € 64,00

Apply the healing mud to your skin. Once it has dried slightly, the sediment is softened again in the steam bath so that it can take effect. Then rub away old and dry skin cells with sea salt, which strengthens the connective tissue and stimulates the metabolism. Now enjoy an oriental coffee or tea while a refreshing mask takes effect.

Chocolate scrub — 35 min — € 64,00

Chocolate makes you happy. This also applies to body scrubs containing real cocoa – they lift your mood and promote harmony.

Coffee scub — 35 min — € 64,00

The revitalizing coffee body scrub with ground coffee beans stimulates your circulation and firms your skin.

Day SPA

Summer special: Cream and herb pack — 65 min — € 120,00

The moisturizing cream and herbal wrap will restore your skin's velvety softness.
After the wrap has taken effect, enjoy a relaxing massage during which the remaining cream is massaged into your skin.

Winter special: Cream and herb pack — 65 min — € 120,00

The nourishing winter version of the cream and herbal wrap regenerates the skin and leaves it feeling supple and soft. After the treatment time, enjoy a soothing massage during which the remaining cream is massaged into your skin.

Skin like velvet and silk — 95 min — € 142,00

A coffee or chocolate scrub (you choose) removes dry skin cells. Then relax with a cream and herbal wrap. After the wrap has taken effect, the excess ingredients are gently massaged into your skin. The result is skin as soft as velvet and silk.

VitalCombi — 95 min — € 142,00

After an invigorating coffee scrub, the subsequent wellness massage systematically loosens and revitalizes tense muscle groups. The combination of a partial body massage (back or legs) and an Energy Kick (face, head, neck) releases deep-seated tension and promotes blood circulation. The result is a fresh, relaxed feeling throughout the body.

Pure enjoyment — 95 min — € 150,00

Begin your indulgent break with our Rasul steam bath ritual: healing mud and a gentle exfoliation prepare your skin for something special. A glass of Crémant awaits you in the relax area – a sparkling treat for in between. The crowning glory is the Palais Deluxe massage, which deeply relaxes with gentle touches and brings body and soul into harmony.

Pure pampering — 120 min — € 180,00

This treatment cares for your body from head to toe. Let yourself be seduced by our aromatic coffee or chocolate scrub. Now you are perfectly prepared for the gentle Palais Deluxe massage. Soothing scents and nourishing touches provide deep relaxation. Your feet also enjoy loving attention with a relaxing massage. Finally, treat yourself to a glass of Crémant in our relax area.

Parafin wax bath for hands and feet	30 min	€ 30,00

Gentleman Care

Palais Gentlemen Care	80 min	€ 129,00

Men's skin requires special care, which is specifically addressed in this treatment.

Our cleansing ritual leaves your skin feeling thoroughly cleansed and pleasantly refreshed. Your eyebrows will be perfectly shaped on request. You will immediately feel revitalized during the subsequent facial massage, combined with an active ingredient mask and a special serum. The final treatment will leave you looking radiant once again.

Women Care

Rebalance 'Detox' mask — 15 min — € 25,00

The facial massage removes deposits in the tissue and vessels. A special serum detoxifies your facial skin and stimulates the lymphatic system. This will restore your glowing complexion in no time!

Palais Basic Care — 80 min — € 135,00

Our cleansing ritual leaves your skin feeling thoroughly cleansed and pleasantly refreshed. This nourishing experience combines a facial massage with an active ingredient mask and a special serum, followed by a final skin care treatment.

Palais Microdermabrasion Care — 80 min — € 135,00

Microdermabrasion forms the basis of this treatment. It removes dead skin cells from the surface. This allows the active ingredients to penetrate deep into your skin. Fine lines and wrinkles are reduced and their structure is optimized. The treatment is rounded off with an intensely nourishing active ingredient mask, a special serum and a skincare product tailored to your skin type. The results are immediately visible. The skin is smooth, radiant and free of free radicals (negative molecules that are produced by natural metabolic processes in the body as well as by external influences such as environmental toxins, radiation and smoking).

Palais Deluxe Care — 110 min — € 154,00

The Deluxe Care treatment leaves nothing to be desired. You and your skin will be pampered in every way possible, according to all the rules of cosmetics. An integral part of this facial treatment is our cleansing ritual, microdermabrasion, two special serums, an active ingredient mask, eyebrow shaping on request, an extensive facial massage, a hand or head massage and a final skin care treatment tailored to your skin type.
